Agriculture and Social Development Society (ASDS) registered under A.P. Cooperative societies Act (Societies Registration Act) 1860 (presently A.P.S.R.A., 2011) is a non-governmental organization registered under this. Similarly registered under foreign contributions Regulation Act (F.C.R.A) 1976. Working for tribal development

Our Dream

Equality with dignity on wider spectrum, improved lively hood conditions, a better society for the tribal's and reputable an empowered status for the tribal's.

Aim

Impoverished poverty, exploitation because of caste, class systems, discrimination, violation of human rights organizing the Adivasi(tribal) groups who are fighting against these, developing them as a social capital and establishing a community based organisation.

Main objectives

- Integrated development of Tribal communities, empowerment and enhancing leadership qualities.
- Creating authority to tribal communities over their resources, providing legal support for protection of their rights, protection of natural resources, determined for their development
- Protection of various sections like children, youth, women, initiating required capacity building programmes, concentrating on girl child staying in remote areas. Taking up formal and non formal literacy activities. Abolition of child labor.
- Disaster reduction interventions during natural calamities, providing essential services during the time of disaster.
- Protection of tribal culture, knowledge and traditional lifestyles.
- Establishing linkages with likeminded organizations, networks working on development of tribal communities

Children Activities :

With the support of Sarva Siksha Abhiyaan (SSA) – East Godavari District ASDS starts a Residential Special Training Centre (RSTC) and enrolled 110 dropout children. Main streamed 30 children within 5 months duration from December – 2018 to April – 2019.

Distributed 6,000 note books to GPS and MPPS school children to reduce dropouts lack of primary needs like note books, pens etc., ASDS mobilised these books from ITC – BPL Bhadrachalam and some individual donors.

OPENING OF RESIDENTIAL SPECIAL TRAINING CENTRE (RSTC) BY SRI.V.LAXMINARYANA - MEO

BLANKETS AND TOWELS DISTRIBUTION BY TAHSILDAR - V.R.PURAM

Non Pesticide Management Method / Sustainable Agriculture :

From the beginning ASDS promote and encourage sustainable agriculture practice to control and reduce chemical pesticides in farming sector with the support of funding agencies and line departments like Agriculture Department, Krishi Vignana Kendram (KVK), ICRISAT, NABARD.

ASDS regularly organizes village level and mandal level orientation meetings and explain the importance of Non Pesticide Method. ASDS conducts trainings to these farmers on preparing Natural decoctions using cow dung and cow urine and other roots. ASDS Organized meetings and interface meetings with famers and Agriculture department.

Government of Andhra Pradesh undertaken **"Zero Budget Natural Farming - ZBNF"** project from 2016, ASDS involved in this project and undertaken 23 villages in 2 clusters one in Chintur Mandal and another one in V.R.Puram Mandal, initially we started work in 12 villages, continuation of 2018 we spread another 2 villages in 2019 now we are working in total 14 villages in August – 2018 we signed MoU with RySS (a state Government initiated department) for 1 year, this is year wise extension MoU for 3 years.

Appointed 4 Cluster Resource Persons (CRPs) and 4 Cluster Animators (CAs) each cluster 2 CRPs and 2 CAs, 1 Internal Cluster Resource Person (ICRP) for Chokkanapally cluster 2 ICRPs for Valumurugondi cluster.

In 2017 we sent 14 active farmers and 4 staff members to Subhash Palekar training programme conducted from 31.12.2017 to 08.01.2018 in Guntur, these active farmers taken lead to conduct village level training in 2018 to spread Sustainable Agriculture in ground level.

Conducted village level trainings and orientation programmes on sustainable agriculture in 23 villages of Chokkanapally and Valumurugondi clusters. Displayed videos and explained preparation of decoctions.

Conducted Crop Cutting Experiments (CCEs) in Natural Farming fields and Chemical farming fields to compare yield.

Chintur ITDA Project Officer visited Valumurugondi village and interacted with farmers.

ZBNF state marketing in-charge visited A.V.Gudem village to evaluate field and interacted with farmers.

ASDS regularly displayed stalls in village level "JANMABHOOMI" grama sabhas and Division level Republic Day pared conducted by ITDA Chintur.

Achivements :

- Covered 588 farmers in this year out of 2000 target farmers in 3 years.
- Converted 90 farmers as Seed to Seed farmers.
- 290 farmers motivated to CBO / FPO (Natwan Sangham & Papikondala FPO)
- 172 Poor of Poor farmers joined in SHG groups
- Developed 44 active farmers in this year.
- 32 Master Internal Cluster Resource Persons developed.
- Collected 108 case studies on Natural Farming.

ప్రకృతి సాగుతో అధిక దిగుబడి

వీఆర్పురం: ప్రకృతి వ్యవసాయంపై రైతులు దృష్టి సారించి అధిక దిగుబడులు సాధించి ఆర్థికంగా బలపడాలని జెడబీఎన్ఎస్ (జీరో బడ్జెట్ నాచురల్ ఫార్మింగ్) స్టేట్ మార్కెటింగ్ ఇన్చార్జి ప్రకాశరావు కోరారు. అడవి వెంకన్నగూడెంలో ఏఎస్డీఎస్ స్వచ్ఛంద సంస్థ ఆధ్వర్యంలో చేపడుతున్న ప్రకృతి వ్యవసాయ క్షేత్రాన్ని ఎజ్బీఎన్ఎస్ బృందం సభ్యులు బుధవారం సందర్శించారు. సాగు విధానం, ప్రకృతి వ్యవసాయం ద్వారా జరిగే మేలు, ఫలితాలను స్థానిక రైతులను అడిగి తెలుసుకున్నారు. ఈ కార్యక్రమంలో డిస్ట్రిక్ట్ యాంకర్ పరసన్ దేవీ, కోవెల్ ఫౌండేషన్ ప్రోగ్రామ్ మేనేజర్ షణ్ముఖరావు, ఏఎస్డీఎస్ సంస్థ సీఆర్పీలు చిచ్చడి వెంకటేశ్వర్లు, చిచ్చడి వెంకటేశ్వర్లు, కుంజా భీష్మారావు, ఎడ్ల కల్పనరావు, మారయ్య పాల్గొన్నారు.

FEED BACK COLLECTION FROM FARMERS BY ICRISAT SCIENTISTS ON CROP PATTREN

Formation of FPO :

Papikondala Farmers Producers Marketing and Mutually Aided Co-Operative Society is formed with farmers of 3 submerge mandal of Polavaram project i.e. Chintur, Kunavaram, V.R.Puram. All farmers are belongs to ST and PTG (Kondareddy) community.

OBJECTIVES :

- To stop middleman between farmer and market.
- Farmers get best price to their products.
- Strengthening farmers group in market sector.
- Regeneration of Millets.
- Value added market to farmers' products.
- Establish stalls in Papikondala boating point, sandys with local farmers products.
- Generate Non Pesticide Agri products.

Major activities conducted in 2018 :

- Conducted village level meetings with farmers to explain concept of the FPO and encourage shares holders.
- Conducted village level campaigns and distributed pamphlets, displayed wall posters on FPO concept.
- Registration completed, Bank account opened, Rs.60,000/- collected as share capital from members.
- Participated FPO business plan training in Visakhapatnam.
- Farmers taken NPM trainings.
- Conducted 2 campaigns and 2 board of directors meetings 1 with AD Horticulture and 1 with NABARD East Godavari AGM.
- One Board of Director went to exposure visit to Boddam.
- One draft business plan developed.

Livelihood and Enterprise Development Program (LEDP) :

Vyavasayaka mariyu Sanghika Abhivrudhi Samstha (Agricultural & Social Development Society - ASDS) initiated the business development program under Support to livelihood program supported by NABARD Watershed Development Program (WDF&IGWDP), supported by NABARD. The interventions of Vyavasayaka mariyu Sanghika Abhivrudhi Samstha (Agricultural & Social Development Society - ASDS) improve the livelihoods of poor thorough skill development trainings.

Objectives

- a. To encouraging farmers to regeneration of millets, pulses, vegetables and non pesticide agriculture products and reduce eucalyptus plantation.
- b. To impart skills and capacities on marketing and business development.
- c. To impart skills on making biscuits with millets, processing cashew, pulses grinding and packing.
- d. To Creating market linkages in the organized sector.
- e. To Creating a collective bargaining mechanism with different companies on price, transparency, and frequency of payment.
- f. To provide support services & Forward and Backward linkages in coordination with line departments.

Eligibility SHG Members: The eligibility of the members is the member should belong SHG, should belongs the identified cluster of village and the age group is between 20 years to 55 years. The identified members should not be a defaulter to the bank or any other institution.

Program Design: ASDS working with local farmers to produce non pesticide agri (NPM) products and millets since last 6 years, now Government of Andhra Pradesh also had taken ZBNF programme to promote Non Pesticide Agri Products, ASDS involved in this programme and taken 3 clusters to work with Government. In this area people collects seasonally Non Timber Forest Products (NTFP) like Mohva seed, Tamarind, Hill Broom Sticks, honey etc., and also available around 1500 to 2000 acres of cashew gardens in Chintur, Kunavaram, V.R.Puram and Yatapaka mandals.

The idea of the programme is collect Non Pesticide Agri products from farmers like paddy, pulses, vegetables and millets and make it value added products by grinding and packing of paddy and pulses. Planning to millets make as powder and prepare as

malts, food chips and powder packs, collection of cashew processing and make it as packs. Making oil with mohva seed. Planning to open stalls at Papikondalu boat point in Pochavaram, Rekhapally junction it is way to Papikondalu boat point, Chintur mandal head quarter and all sandys to sell all these products in stalls. These all activities shared by all 150 group members as per schedule given in last page.

The proposed livelihood program entails the selection of women SHG members for availing 7 days training on biscuits making with millets skills, processing cashew, pulses grinding, making oil with mohva seed, packing, stock and warehouse maintenance etc.,. After the training program ASDS will facilitate the members to avail loan from the Banks or Financial institutions in coordination with the local Indra Kranthi Padhakam (IKP) team.

ASDS ensures that the members purchase good quality millets, cashew, pulses with the support of local ASDS staff. After the grounding of the material ASDS will follow-up the regular activities of the groups, biscuits making with millets, cashew processing, packing of biscuits, pulses grinding and packing.

Proposed Activities: ASDS would organize the following key trainings for improving the skills of the group members and the details are as follows

- Training on collection of seasonally available pulses and NTFP products like (Mohva seed, Cashew, Honey, Tamarind, hill broomsticks etc.,)
- Training on processing, grading, grinding and packing.
- Training on biscuits making with millets.
- Training on processing of pulses, chilly and mohva
- Training on business development skills.
- Training on making malts other food chips with millet powders.
- Best Management and book keeping.
- Exposure visit to successfully running groups.

LEDP - PROJECT UPDATE

Sanctioned through Ref.No.NB.APRO.HYD/2316/LEDP/2018-19

Dated : 19th February – 2018.

| | |
|---|--------|
| Total Proposed Trainings in this Programme | : 5 |
| Total Proposed Members to train | : 170 |
| Present Completed Trainings | : 3 |
| Present Trained members | : 109 |
| Total number of beneficiaries credit linked | : NILL |

Trainings Completed :

1. Preparation of NPM Products and Cultivation of millets / chilly / Vegetables and Pulses

The concept of this programme is to avoid usage of fertilizers in agriculture, Government of Andhra Pradesh implementing ZBNF (Zero Budget Natural Farming) in Andhra Pradesh. As a part of this programme ASDS has taken 2 clusters 1000 farmers in each cluster to convert fertilizer farming to non fertilizer or NPM (Non Pesticide Management) method farming.

But, implement this method most of interested farmers going back to fertilizer farming to non availability of NPM products. So, ASDS planned this training programme in LEDP project to store large scale of NPM products and open a NPM shop for interested farmers, and income generation programme of these trainees, ASDS planned to supply these products to our ZBNF farmers and procure their pure organic products through Papikondala Farmers MACS Ltd., supported by NABARD and open stalls at Papikondala Tourism boating point in Pochavaram Village of V.R.Puram Mandal, E.G.Dist., and local weekly sandy.

This training programme conducted to 40 members from 4 groups in Chokknappally village.

Agriculture Department given Mixes to make NPM decoctions, sanctioned 3 cow sheds each one cost of 16,000/- to collect cow urine and dung for preparation of NPM decoctions, ASDS provided 200 liters and 100 liters capacity drums for storage of decoctions and cow urine. At present they are preparing NPM decoctions to use in their own fields.

We planned to start a NPM decoctions and other products shop in this khareef season with the help of Agriculture department. Agriculture Department distributed Millet, Vegetable and pulses seeds to the farmers.

We Identified 15 farmers to cultivate vegetables, 35 farmers to cultivate millets to supply raw material for making biscuits and food chips.

2. Training on making malts, food chips with millet powders. Biscuits making training

This training programme conducted to 29 members from 3 groups in ASDS office campus Rekhapally.

Before we start this training we request Krishi Vignana Kendram (KVK) – Pandirimamidi to supply biscuits making machinery to this group. They agreed and sanctioned 1 Oven, 1 Palvaraisor, 1 Big Mixy to this group worth of Rs.1,60,000/-.

After the training some of group members come forward to prepare biscuits, cakes with their own capital, they prepared and sell in local market and got good income. Some group members show laziness, irregular to participate in this activity. So we planned to create a new group with interested members and start business activity in October – 2019, because July, August and September is their agriculture season. But unfortunately this year this area 3 times effected Godavari floods most of paddy crops damaged, group members and farmers are busy with re-sowing of paddy etc., recently we conducted a meeting with interested trained persons and convey them to take membership in FPO to get financial support and raw material like millets in credit base to start this unit they are agree and ready to start this unit in December – 2019.

3. Training on collection of seasonally available pulses and NTFP products like (Honey, Tamarind, hill broomsticks etc.,) and making the final products

This training was conducted to 40 members all are various group members. Staff from GCC (Girijana Co-Operative Corporation) trained this group to how collect NTFP (Non Timber Forest Products), grading by quality, price between different qualities. They were trained and they ready to collect seasonally available Non Timber Forest Products (NTFP) and start a stall at Papikondalu boating point, they requested to a small loan to build a shed, we advised them join in FPO group each one with membership of Rs.1,100/- they agreed to join in FPO group. FPO group ready to release loan to build shed. Planning to open stall in the month of September – 2019, but due to heavy rains and floods this plan was postponed to last week of November – 2019. Due to boat accident in Kachuluru Govt., of A.P banned boating in Papikondalu so stall is not opens in boating point, but 30 members individually collected Gum kariya, broom sticks, honey, tamarind and sell to GCC each one get Rs.8,000/- to 12,000/- with their collected quantity.

SUSTAINABLE AGRICULTURE DECOCATIONS PREPARATION TRAINING IN LEDP PROGRAMMEE

SUSTAINABLE AGRICULTURE TRAINING PROGRAMME IN LEDP PROGRAMMEE

సేంద్రియ వ్యవసాయంపై శిక్షణ

వరరామచంద్రాపురం, మే 29: సేంద్రియ వ్యవసాయ పద్ధతులు, కషాయాలు తయారు చేయడంలో పొదుపు సంఘాల సభ్యులు, గ్రామస్థులకు శిక్షణ, అవగాహన కార్యక్రమం మండలంలోని మంగళవారం చౌక్కునపల్లిలో నిర్వహించారు. ఏఎన్డీఎస్ సంచుండ సంస్థ వ్యవస్థాపకులు, రాష్ట్ర బాలల హక్కుల కమిషన్ సభ్యులు వి.గాంధీబాబు మాట్లాడుతూ రసాయనిక ఎరువుల వాడకం వల్ల దిగుబడి తగ్గి అధిక పెట్టుబడులు పెట్టడం వల్ల రైతులపై

అప్పుల భారం పడుతోందన్నారు. పొలాల్లో భూసారం కూడా తగ్గుతుందన్నారు. అందువల్ల సేంద్రియ వ్యవసాయానికి అధిక ప్రాధాన్యమిచ్చి రైతులను ప్రభుత్వం ప్రోత్సహిస్తోందన్నారు. తక్కువ పెట్టుబడితోపాటు అధిక దిగుబడి వస్తుందన్నారు. రైతులు సేంద్రియ వ్యవసాయానికి ప్రాధాన్యమిచ్చి ఎక్కువ లబ్ధి పొందాలన్నారు. కార్యక్రమంలో వెలుగు ఏపీఎం కిషోర్ బాబు, ఏఎన్డీఎస్ సంస్థ సిబ్బంది, గ్రామస్థులు తదితరులు పాల్గొన్నారు.

మాట్లాడుతున్న గాంధీబాబు

రసాయన ఎరువుల

వాడకాన్ని తగ్గించాలి

నాబార్డ్ ఏజీఎం కేపీఎస్ ప్రసాద్

వీఆర్ పురం:గిరిజన రైతులు రసాయన ఎరువుల వాడకాన్ని పూర్తిగా తగ్గించాలని నాబార్డ్ జిల్లా ఏజీఎం కేపీఎస్ ప్రసాద్ సూచించారు. లవ్లీ హాట్ అండ్ ఎంటర్ప్రైజ్ డెవలప్మెంట్ ప్రోగ్రాం ఆధ్వర్యంలో చౌక్కునపల్లి గ్రామంలో మంగళవారం నిర్వహించిన సేంద్రియ ఎరువు తయారీ శిక్షణ కార్యక్రమానికి ఆయన ముఖ్య అతిథిగా హాజరై మాట్లాడారు. సేంద్రియ ఎరువుల వాడకం ద్వారా అధిక పంట దిగుబడులు సాధించవచ్చన్నారు. ఏఎన్డీఎస్ సంచుండ సంస్థ వ్యవస్థాపకుడు, ఏపీ బాలల హక్కుల కమిషన్ సభ్యుడు ఉండవల్లి గాంధీబాబు మాట్లాడుతూ రసాయన ఎరువుల వాడకం మూలంగా పంటలకు కొత్తకొత్త వైరస్లు, తెగుళ్లు వచ్చే అవకాశం ఉందన్నారు. ఈ శిక్షణ ద్వారా తెలుసుకొన్న విషయాలతో రైతులు సేంద్రియ ఎరువులను తయారు చేసుకొని వాటిని పంటల సాగులో వినియోగించి అధిక దిగుబడులు సాధించాలని సూచించారు. కార్యక్రమంలో వెలుగు ఏపీఎం కిషోర్, ఏఎన్డీఎస్ సంస్థ కో-ఆర్డినేటర్ జావేద్, వెలుగు సీసీ కిరణ్ తదితరులు పాల్గొన్నారు.

బుధవారం, 30 మే 2018 తూర్పు గోదావరి 7

సేంద్రియ వ్యవసాయంపై గిరిజనులకు శిక్షణ

విఆర్ పురం, మే 29: మండల పరిధి చౌక్కునపల్లి గ్రామ గిరిజనులకు స్థానిక ఎఎన్ డీఎస్ సంస్థ ఆధ్వర్యంలో సేంద్రియ వ్యవసాయంపై మంగళవారం శిక్షణ ఇచ్చారు. సేంద్రియ వ్యవసాయ పద్ధతులు, సేంద్రియ వ్యవసాయానికి అవసరమైన కాషాయాలను తయారు చేసే విధానం చేసే చూపించారు. రసాయన మందులు వాడకం వల్ల వివిధ రకాల జబ్బులు వస్తున్నాయని, అందుకే సేంద్రియ వ్యవసాయం చేయాలని, అలా చేయటం వల్ల తక్కువ ఖర్చుతో వ్యవసాయం చేయటమే కాకుండా ఆరోగ్యంగా ఉంటామని అధికారులు వివరించారు. కార్యక్రమంలో జిల్లా నాబార్డ్ ఏజీఎం కెవిఎస్ ప్రసాద్, ఎపియం కిషోర్ బాబు, ఏఎన్డీఎస్ సంస్థ డైరెక్టర్ వి గాంధీబాబు, జావేద్, కిరణ్ తదితరులు పాల్గొన్నారు.

సేంద్రియ వ్యవసాయంపై అవగాహన కల్పిస్తున్న ధ్యక్షం

Millet Biscuits & Food Chips training inauguration by NABARD AGM Sri.KVS Prasad, KVK Sr.Scientists Sri.K.Srinivasa Rao & ICRISAT Sr.Scientists Sri.N.Rajesh

TRAINING PARTICIPANTS

NABARD AGM Dr.Somunaidu addressing in NTFP training Programme

NABARD AGM E.G.Dist., Dr.Somunaidu Address NTFP Training Programme

ACTIVITIES FOR DISABLE PERSONS:

- Supported to participate 60 disable persons in skill development training at Tanuku.
- Conducted village level and Mandal level committees meetings regularly.
- Applied and got 40 bus passes to disable persons.
- Applied and got 6 railway passes.
- Applied 1 marriage award for Petta Kumari.
- Received 2 marriage awards.
- Applied 2 old age pensions and got sanction.
- ASDS supported to 5 pairs disable persons marriage.
- Conducted World Disable Week from 3rd December to 10th December.
- Conducted Meeting and Rally on World Disable Day on 3rd December.

Women & Girls Rights :

1. Periodical visits by Natwan Sangham members to local Girls hostels.
2. Monetary support from ASDS..
3. Formation of groups through interaction and meetings. Child Club set up in girls hostel and their problems are brought to the attention of the authorities. Visits and representations to ITDA-P.O.
4. House visits, fact findings, creating awareness among girl children, moral, livelihood support and legal support.
5. Celebrating International Women's Day addressing all the issues
6. Natwaan Sangham members visited 8 hostels and oriented around 1500 Adolescent girls on Health and Sanitation, Sex Ratio, and Hygienic conditions. Around 600 Adolescent Girls are using safe practices (good washed cloth) compare to Project Starting during their monthly sick.
7. ASDS has provided Safe Drinking water and other basic needs in girls hostel.

Rehabilitation & Resettlement Activities for Polavaram Submerge Villages :

Meeting with R & R Committees :

Collected Residential Committees details from Mandal Revenue Office V.R.Puram, these committees formed by ITDA Chintur and R & R wing with submerge effected villages families. 5 committees from V.R.Puram mandal and 1 committee from Kunavaram Mandal.

Details of Committees :

| Sl. No. | Names of the Submerge Village and Mandal | R & R Colony allotted Village and Mandal | Name of the Committee Member & Village |
|---------|--|--|--|

For these 13 villages of V.R.Puram and Kunavaram mandals R & R colony construction started in 5 places of Yatapaka and Kunavaram mandals of East Godavari District.

Primarily we conducted village level meetings to these committee members to give orientation on their responsibilities like inspection on colonies construction works like quality, measurements, curing (watering), and construction period, and we also oriented them to this inspection travel charges paid by the respective Mandal Revenue Officers.

Divisional level Orientation Meeting on R & R :

On 11.01.2019 conducted a Divisional level Orientation meeting on R & R at ASDS meeting hall – Rekhapally all 6 Residential Committee members, MRO V.R.Puram, VROs and Indira Sagar Project R & R committee member Sri.V.Gandhibabu participated in this meeting. Identified problems in present submerge villages and in new R & R colonies.

| Problem Identified | Action plan on this problem |
|---|--|
| There is no clarity on how much compensation to assigned land. | Meet P.O ITDA Chintur, R & R cell and take a written information. |
| Demand to give Patta and compensation to RoFR land. | Visit RoFR cell established in Chintur ITDA premises and collect RoFR patta details. |
| Identified variation in package to same measurement, same quality, same roof houses. | Meet House survey officers and collect correct information in what priority they giving various types of compensation to same houses. |
| No house pattas issued to head of house, in some cases 18 years completed persons received house pattas, some cases 18 years completed persons not received house pattas | Submit a representation to P.O.ITDA Chintur to issue house pattas to all eligible head of houses and all who crossed 18 years. |
| In new R & R colony some cases identified that same type of land not hand over to all farmers and also identified that not showing their land borders. | Submit representation to P.O.ITDA Chintur to give same type of land in new R & R colony to all victims and also show their land boarder. |
| Some colonies constructed old package rate i.e. Rs.2.50 lakhs, but now it was increased Rs.3.80 lakhs all colonies must construct with new package cost of Rs.3.80 lakhs. | Submit representation to P.O.ITDA Chintur to construct all colonies as per new package Rs.3.80, if any constructed as per old package extension all colonies as per new colonies. |
| Identified that colonies are not constructing with quality filling soil in basements instead of sand. | It is full responsibility of our Residential committees to avoid this complaint committees regularly visit their colonies and monitor quality of work. If any problems identified give a complaint to P.O. ITDA Chintur. |
